*From the Principal's Desk.*

### **PATIENCE**

*Waiting calmly for others or for your turn.*

*Waiting calmly and managing your actions, feelings and emotions if you have a problem.*

### **Dates to Remember**

30 Oct	Newsletter
30 Oct	Breakfast Club
2 Nov	RAC Visit
3 Nov	T20 Cricket
6 Nov	Breakfast Club
7 Nov	Melbourne Cup
8 Nov	After School Sport
10 Nov	Assembly Remembrance Day

### **Our school value for the next two weeks is Patience:**

Wherever possible, please recognise those times when your children demonstrate patience and praise them for doing so. When children demonstrate patience, they are showing us that they have found better ways to deal with things rather than being impatient or annoyed.

### **School Attendance**

We have seen very pleasing improvement in the rate of attendance of most students since last term when there were so many absences due to the flu or other awful bugs at our school. We are on the downhill run to the end of the year and can see the positive improvement with those students who are now back at school for five days a week and have jumped back on track with their learning. We still have a few who need to get back on track and I will be approaching the parents of those students to see what support we might offer to ensure regular attendance.

### **Year 6 Orientation Day**

Our year 6 students head to Jurien Bay DHS in a few weeks for their high school orientation day. A note from the Deputy Principal Mr Wilson was sent home a week ago to provide details of the day's events. Parents and guardians organise travel arrangements for this special event so you may need to arrange a seat on the Jurien Bay bus, arrange a lift for your child or organise to drive them to and from Jurien Bay DHS on the day.

### **RAC Visit**

The RAC will visit our school this week to reinforce the road safety messages which keep our students safe as pedestrians, as bike or scooter riders and as passengers. It would be beneficial if you could spare a few minutes to ask your child what they have been learning about road safety after this RAC visit. Your input would reinforce the importance of road safety and encourage students to put these road safety messages into practice. If we are all giving students the same message, it should certainly go far into keeping them safe on the roads.

### **School Board Membership Opportunity**

We have two vacancies for parent membership on the School Board and we are calling for nominations. A handout of information is attached to this newsletter. If interested in joining our parent membership, please nominate using the form attached to the handout, including a short candidate profile and return to the front office. Parents may either nominate another person or nominate themselves if interested. We look forward to your nominations. **Nominations close at 3.30pm on Monday 13<sup>th</sup> November.**

**We will only need to hold an election if there are more than 2 nominations.**
